Author's Abstract:

i-SAFE is a non-profit foundation whose mission is to educate and empower youth to make their Internet experiences safe and responsible. The goal is to educate students on how to avoid dangerous, inappropriate, or unlawful online behavior. i-SAFE accomplishes this through dynamic K-12 curriculum and community outreach programs to parents, law enforcement, and community leaders. It is the only Internet safety foundation to combine these elements.

The MySecurie Cyberspace Game developed at Carnegie-Mellon University will be integrated into the Safe Schools Education Initiative and Outreach Campaign.
